

17 June 2005 - BBM increases every web package!

From mid-June 2005 Big Boy Media Ltd are to double the features offered on all of our popular web hosting packages – at no additional cost to our clients!

Big Boy Media are proud to announce major additions and changes to our popular web hosting packages to give each customer an upgrade of between 200% to 500% on their current server statistics!

Example Statistics: **Site Storage** – Basic from 250MB to 500MB, Standard from 750MB to 2000MB (2GB!) and E-Commerce from 1000MB to 5000MB (5GB!!)

Monthly bandwidth – Basic increased from 1GB to 5GB, Standard from 5GB to 10GB and E-Commerce from 10GB to an amazing 50GB!!

Integrated **MySQL Databases** – Basic from 1 database to 2, Standard from 5 to 10 and E-Commerce from 10 to 50!

Not only are we happy with these features, we have further reduced our prices for additional MySQL databases from £10 an extra database to just £5!!

Please consult the web hosting packages page for detailed information!
